M. J. ROSE. SHOP ON KING ST., HONOLULU,

Wagonet for HIS MAJESTY, KING KALAKAUA, and no newspaper man or reporter having said one word in regard to it, I shall, therefore, blow my own horn. It is only recently that Carriages has become so common that almost every householder has got one.

IN THE SCRIPTURES, Carriages or Charlots are frequently alluded to. Upon the flight of the Israelites from Egypt, King Pharaoh pursued them with Six Hundred Charlots, all of which were swallowed up by the waters of the Red Zea. And when Israel made up his mind to pay his son Joseph a visit, Joseph telegraphed the old gentleman to come down to Goshen and he would meet him there and drive him down to Egypt in a Jaggon, (wagon.) Goshen and he would meet him there and drive him down to Egypt in a Jaggon, (wagon.)

Charlots and Carriages were mostly used by Eings and Grandees on state occasions.

The Greeks and Romans had Charlots; but strange to my, it was as late as the sixteenth century, in 1550, that Carriages were introduced into France, and at that date only three were known in Paris, then quite a large city.

M. J. ROSE is now prepared to furnish almost any kind of vehicle that may be ordered of him; has got some of the Best Skilled Mechanics that can be had in any country.

Also has received a large invoice of ALL KINDS OF STOCK, such as Hobs, Spokes, Felloes, Shafts, and one thousand other things, too numerous too mention. But to convince yourself, ust call and C. housand other things, too nume rince yourself, ust call and C. Can Undersell any Other House in Town,
